There are now suggestions that Congressmen be given combat pay when under fire.

LEMON GROVE REVIEW

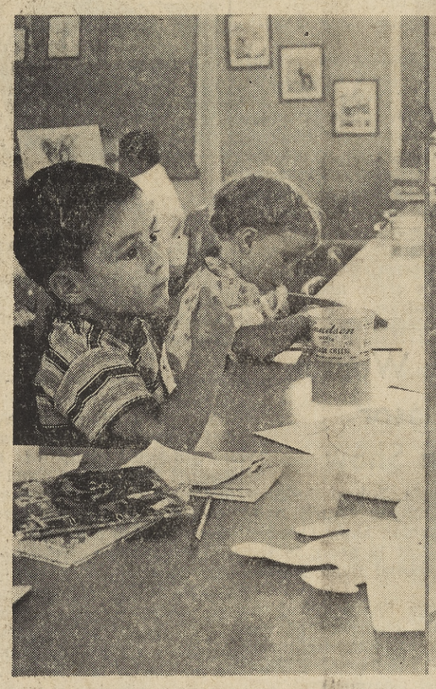

AND SUBURBANITE

California's Fastest Growing Community . . . 'Best Climate On Earth'

This is the only newspaper in the world that really gives a darn about this community.

VOL. 12; No. 5 TWO SECTIONS — 14 Pages LEMON GROVE, CALIFORNIA THURSDAY, SEPTEMBER 17, 1959 10¢ PER COPY

Well, school has started. Thousands of youngsters have gone back to pick up where they left off last spring. Hundreds of others have stepped inside a classroom and have sat down at a work table or desk for the first time. Teachers too have written lessons on the blackboards in their very first classroom, or they have re-written the things that they wrote last year for another group of pupils. To each of these pupils and to each of these teachers, the beginning of school means a different thing. Our photographer captured a few of the opening-day reactions.

To some, it was a bright beginning of a new adventure . . .

Or just the same old beginning of an old, old story.

Coloring of a picture can require deep concentration . . .

As does the remembering of summer-forgotten arithmetic.

But boys are boys and girls are girls any day, anywhere . . .

The DIMMER VIEW

by MAX GOODWIN

A couple of weeks ago we ran a piece titled "How To Get Publicity?" which was designed to aid clubs, groups, organizations, and even individuals in getting their literary emanations into print in this newspaper.

Now comes a piece from John Denson, editor of the Minonk (Ill.) News-Dispatch to prove the point that when a guy doesn't get his stuff printed, regardless of who is at fault, he gets awfully mad.

Editor Denson's correspondent says:

Dear Editor:

"Every time I send you a write-up about our Missionary society meeting you get it all balled up so it doesn't make sense. Time and again I've sent in corrections, but you get them mixed up, too.

"So I give up.

"In the future when I send you our Missionary society write-up please don't print it."

* * *

The Massapequa (N.Y.) Post carried an interesting editorial recently which has a greater impact because we are at the threshold of National Newspaper Week (October 15 to 21).

The editor took a look at the sometimes not-so-gentle art of trying to keep stories out of the paper. Says the Post:

"Most of us would agree that a society that sought to protect the guilty and punish the innocent was sick. Yet scarcely a week goes by without some well-meaning person calling the newspaper with a request to kill a news story because it involves a police charge of some sort or another. And who makes the calls? The families of the accused? Not on your life. They know better than to call the newspaper. It is invariably someone close to the victim of the alleged crime who professes concern. And why? Because in this topsy-turvy world of ours, it has become fashionable in some circles to castigate the victim who seeks help, and sympathize with the 'poor innocent' who was 'man' enough to do something daring against the law. Often the victim, not the accused, is blamed for bringing shame on the latter's family.

"We have no sympathy with this point of view. If a person is accused of doing wrong by having a charge filed against him with the police, that fact should be made known wherever possible. To limit this procedure by any degree whatsoever opens the door to many abuses. For example, we wonder how many of our readers ever stopped to realize that the way would then be open to the filing of secret charges against innocent persons without any protection against them. Far fetched? Not at all — we

New School May Have To Pay Service Charges To Two Sanitation Districts

The Lemon Grove School District has lodged a protest with the Spring Valley Sanitation District on a 75 cents-per-pupil service charge.

Mt. Vernon School, the school affected, is within the Spring Valley Sanitation District but most of the grounds are in the Lemon Grove Sanitation District. The school is connected to the Lemon Grove system and is not attached to the Spring Valley system at all, Netzley told the school board Monday night. Mt. Vernon will have 272 pupils when it opens in February. The new Palm Avenue School, to the north and east of the Mt. Vernon site is entirely within the Lemon Grove Sanitation District.

A protest is being filed with Supervisor David Bird who is director of both districts.

Assistant Superintendent Sam Solleder reported that enrollment stood at 3,866 as of Monday. Opening day of school had 3,743 students in attendance. He said attendance probably would level off Friday at about 3,900 which was his earlier estimate of the district's school population.

Netzley reported that a satisfactory agreement had been reached between the district and the contractor who installed a swimming pool at a residence adjacent to Vista La Mesa school.

The contractor had torn down a school fence and several shrubs, and drove his trucks over the fence for getting to the pool

Levy, Quicksall Critically Injured In Auto Crash

Ruben M. Levy, 70, chairman of the board of directors of Helix Irrigation District, was in critical condition in Mercy Hospital Wednesday a full week after he was injured in an auto accident in the Imperial County desert.

Carl B. Quicksall, 71, retired principal of Grossmont High School, also injured in the accident, had improved slightly but still was considered in serious condition.

Levy still had not recovered consciousness since their car veered off Highway 80 near Coyote Wells and crashed into a drainage ditch as they returned from a dove hunting expedition.

Both men were taken to El Centro Community Hospital from which they were transferred to Mercy Hospital. Both suffered broken backs in the accident. Quicksall also suffered broken ribs.

New Subdivision Wins Planners' Approval

SAN DIEGO (CNS) — Preliminary plans for the development of 120 lots in Starlight Terrace subdivision, Lemon Grove, were approved Friday by the County Planning Commission.

Evening of Free Fun Planned As Chamber Week Nears End

Street Dance, Costume Contest Top Features

An evening of free fun will highight Chamber of Commerce Week here Friday with a street dance and costume judging set as top features.

The dance will be held on Imperial and Broadway starting at 8 p.m. to the music of Al Sodos and his 13-piece Fiesta band.

The program, starting at 6:30 with the cutting of a ribbon across newly-widened Imperial Avenue is part of the Lemon Grove Chamber of Commerce Week and Chamber President Bill Parker said it was designed to attract attention to the chamber's drive for 120 new members, to bring the total to 300.

During the week, chamber directors and member workers have been soliciting business and professional people to become chamber members. The drive, Parker said, is "going good."

Chamber manager Jesse Lee said the schedule of events Friday includes the cutting of the

(Continued on Page 3)

Recreation Petitions To Be Circulated Here

Circulating of petitions asking for an election to form a recreation district to serve Lemon Grove and western Spring Valley will begin Friday, Rev. E. Walter Smith said.

The Rev. Smith, president of the Lemon Grove Coordinating Council, said that signatures of 10 per cent of the registered voters in the area will be required.

After sufficient signatures are obtained, Rev. Smith said, the petitions are to be sumitted to the County Board of Supervisors. The Supervisors would call public hearings to allow residents to express opinions.

At the hearings, Smith said, Supervisors will hear applications from property owners who want their land either added to the proposed district or excluded from it.

After the hearings, the Supervisors will set a date for the election.

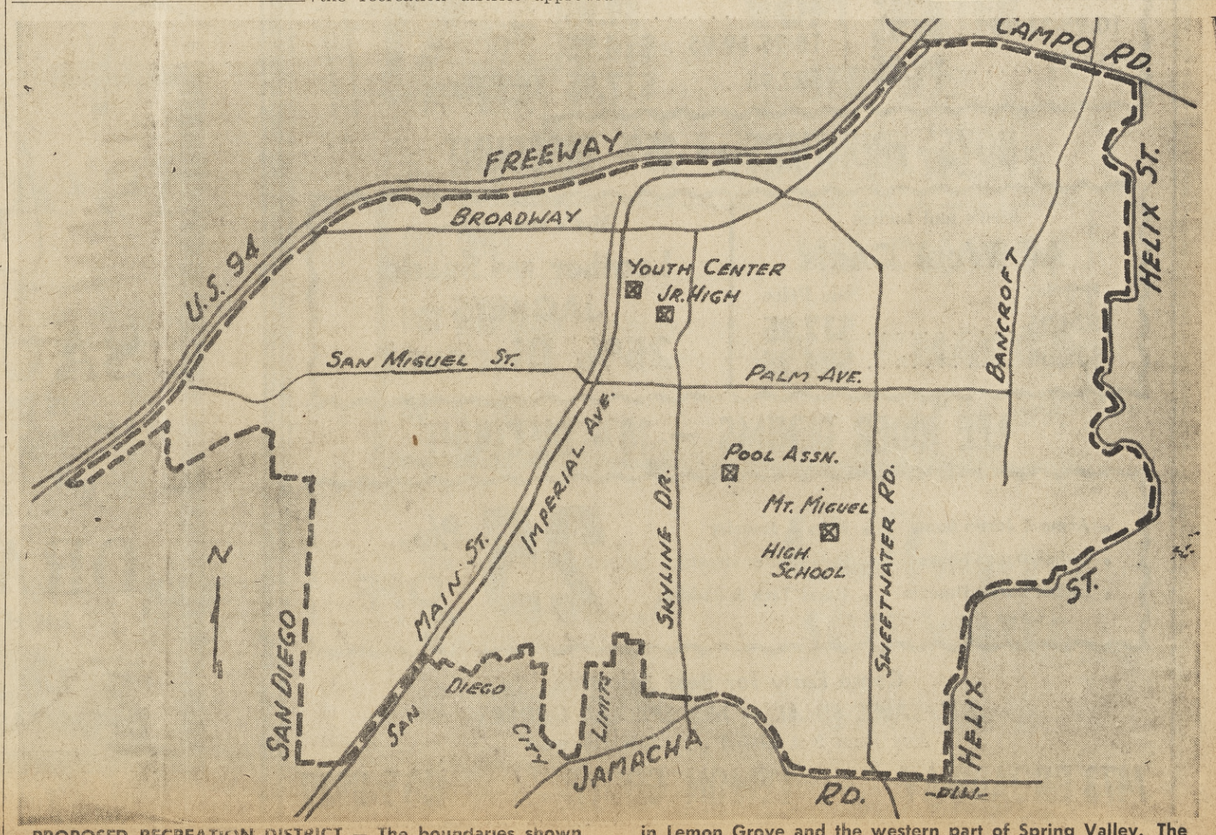

V. J. Dorman, Lemon Grove attorney who has been acting as counsel for the group, said that the election must be over and the recreation district approved by February 1 in order for it to qualify for funds in the next fiscal year.

The Coordinating Council will hold a meeting at 7:30 Monday in the auditorium of the Lemon Grove Junior High School to discuss "various facets" of the proposed recreation district, Smith said.

Some of the things that must be determined, he said, are:

1) What recreational facilities are needed for the area (which was set up to cover roughly the area from which Mt. Miguel High School draws its students. It is expected, Smith said, that the facilities at the high school will be one of the focal points of the recreation district—with facilities at the Lemon Grove

(Continued on Page 3)

PROPOSED RECREATION DISTRICT — The boundaries shown on the above map were approved last week by the County Boundaries Commission for a proposed new recreation district in Lemon Grove and the western part of Spring Valley. The proposed district covers roughly the area from which Mt. Miguel High School draws its students.

'Smog Season' Coming to Area, Pollution Control Group Reports

The San Diego metropolitan area — which includes Spring Valley and Lemon Grove — is entering a "smog episode" period which probably will last through January, according to a report given to the County Board of Supervisors last week by The San Diego Citizens' Advisory Committee on Air Pollution Control.

The preliminary results of a health department two and a half year study of smog in San Diego were presented by the advisory committee at a joint meeting with the County Board of Supervisors. The study was based on daily sampling of the air quality in the metropolitan area of San Diego. Lawrence M. Klauber, chairman, said that the collection of data was limited to the metropolitan area because of the lack of instruments and staff to cover the entire county.

A. F. Bush, consulting engineer from UCLA, stressed the need to find out more information about smog in San Diego County if the area is to keep its air safe to breathe and at the same time continue to grow in population and industrial development.

According to Bush, the facts show that in San Diego:

There are about seven episodes of smog a year. An "episode" was defined as a period during which there is irritation to the eyes and respiratory tract; usually some crop damage; a reduction of visibility; and the presence of such pollutants in the air as carbon monoxide, oxides of nitrogen and oxidants in such amounts as to cause the air to be uncomfortable to people. Such episodes, he pointed out, can actually become unsafe for humans if pollutants reach increased levels. Depending upon many factors, these episodes last from two days to ten days.

Although San Diego can have smog at any time of the year, most of the episodes occur between September through January, and sometimes early in February.

Oxides of nitrogen are found to be high in San Diego during smog episodes. This pollutant has been demonstrated to be of great importance in the formation of smog, according to recent research. They are produced in

It's an excellent practice to start now to prepare the soil in which you're going to plant your fall annuals and perennials, as well as your fall vegetable garden. And bulbs! By doing it early, you can use plenty of good steer manure because it will have time to become thoroughly decomposed and will have no tendency to burn the plants.

Blend agricultural sulphur into the soil . . . two pounds to each 100 square feet. Water it down from time to time so that the entire bed becomes rich and mellow. Then the last of September or the early part of October, when you begin to set out your young plants, you will have a rich soil in which they can grow. A well fortified soil is of tremendous importance to plant life.

Disinfecting the soil with a copper-ether product is of great protection to bulbs during the weeks they are in the ground. It automatically affords them prolonged protection against marauding insect life in the soil.

can name many countries where this actually is standard procedure.

"Our readers know well that we do not believe in sensationalism. As a community newspaper, our columns are filled mainly with civic, organizational, and educational news. Gossip, common scandal, and domestic quarrels have no place in our pages. Charges that involve society as a whole, however, must be made known. Accuracy and restraint in such stories must be the goal, not concealment. Think it over."

* * *

The Oil and Gas Association has announced its participation in the 1959-60 "Operation Fuel Switch," an air anti-pollution program.

Operation Fuel Switch will go into effect October 1 to May 1 and during that period oil refineries will burn only natural gas when eye irritation is present in the air.

This does not affect San Diego County but should help Los Angeles County, the county often referred to as the birthplace of smog.

We think the next place to crack down on air pollution is the dieselized vehicle.

In the past years we have talked with Air Pollution representatives and they respond with a vacant stare. Our charge is that any autoist riding behind a dieselized bus or truck can see and smell smog being formed as it is emitted from the vehicle's exhause stack.

We have gotten two view points from Air Polution people: 1. there is no scientific basis on which smog can be charged to dieselized equipment, and 2. studies are being conducted to see what dieselized equipment is contributing to the smog irritation.

It is interesting that considerable pressure is being brought to require privately owned autos to be equipped with catalysts for their exhausts as one step in controlling smog. Private motorists are the most unorganized large group in the state. No one is going to jump to the forefront and defend these drivers against the expense of installing exhaust "after-burners."

This is not the case with the operators of heavier road equipment. Conversely, no one in authority is suggesting that diesel engines contribute to the smog situation. Maybe this is one of the advantages of having a Sacramento lobby.

Anyhow, they're going to hear us howl loud and long if the legislature comes up with a bill requiring after-burners on private autos and makes no requirements for the same for dieselized equipment.

New School Open In Cajon District For Calavo Gardens

Calavo Gardens children are attending a new school in the Cajon Valley Union School District. It is the Fuerte Elementary School, located at East Fuerte Drive near Shadow Hills.

The school already has its initial PTA and that group held open house and a coffee-dessert last week to greet the new students and mothers. All parents in the area were invited to attend, to meet one another, the new principal George Janecek and the president of the PTA, Mrs. R. Lee Huntington and her members. The open house gave parents an opportunity to visit the classrooms of the new Fuerte School.

Students attending the school are principally from the Calavo Gardens area. Others will be transferees from Chase Avenue, Meridian and Lexington schools. This will relieve the strees on schools and teachers in these areas, reports Dr. Jens Hutchens, superintendent. The new school has 14 classrooms, consisting of 12 regular grade rooms and two kindergarten rooms. There is also a nurse's office and an administration office.

Church Women To Sponsor Fashion Show

The Women's Club of the Santa Sophia Catholic Church will sponsor a fashion show October 10, beginning at 12 noon, in the Veterans Memorial Bldg., Balboa Park.

Mrs. George Shaw and Mrs. John Gill are chairmen of the show. The fashions will be through the courtesy of Walker Scott Co. and George Scott will be commentator. The Balboa Park Zoo parking grounds will be available.

Door prizes and favors will be given. A noon luncheon will be served, with tickets being $2.50. Reservations should be in by Oct. 1. For reservations call Mrs. Harold Schuster, HI 4-4348. Tickets are also on sale at the door of the Santa Sophia Catholic Church, San Juan Street, Casa de Oro, each Sunday morning.

Could Be

Could be that John L. Lewis, in time to come, will be hailed as the man who first organized the king-sized week end — or the three-day work week.

— Christian Science Monitor

COMPENSATION ACT CLASS SCHEDULED

A highly-specialized course in the fundamentals of the California Workmen's Compensation Act will be presented during the fall semester by University of California Extension in San Diego. The course starts Sept. 24 and will be held on Thursdays from 7 to 9:30 p.m. at Roosevelt Junior High School, 3366 Park Blvd., San Diego.

☆ Newspapers always excite curiosity. No one ever lays one down without a feeling of disappointment. — Charles Lamb.

PICTURE TALK

by Bob Vaught

RETURN OF THE NATIVE

A young lady to whom we wished "bon voyage" several months ago dropped into the shop the other afternoon to show us a batch of slides she had taken on her Grand Tour of Europe.

We loaded them into a Kodak 300 Projector and had ourselves a whirlwind tour of France, Spain, Switzerland and Italy. Quite an amazing batting average for a gal who had never handled a camera before.

But not too surprising when you know she took all her pictures with the Brownie Starmatic Camera we helped her pick out.

She simply let the Starmatic Camera's electric eye take care of the job of setting the lens to the light whether it was bright, cloudy or shady. All she had to do was frame the Eiffel Tower in the viewfinder and snap the shutter. And voila! A beautiful slide.

Of course the Starmatic Camera takes more than slides. You can also load it for black-and-white or Kodacolor snapshots. You get 12 big pictures on a roll of economical 127 film. And every one of those pictures will be sharp, too. For the lens is always in focus — even as close as four feet.

Does all this make the Brownie Starmatic sound like the camera you've been waiting for? If it does, the price shouldn't stop you from snapping one up. It's only $34.50 . . . or as little as $3.50 down! See you soon?

Property Owners Lash Out Against Proposed Permit

Planning Commission Takes No Action On Triple Application

SAN DIEGO (CNS)—Sharp opposition to a permit for a sand and gravel and rock crushing operation in the Sweetwater Valley between Sunnyside and La Presa deveoped at Friday's session of the County Planning Commission.

Only one letter of protest had been received against issuance of the permit, asked by V. R. Dennis Co. for a subsidiary, but neighbors and property owners turned out in numbers at the planning commission hearing.

Among those who spoke against the operation was Phil Creaser, representative of California Water and Telephone Co., owner of large land holdings in Sweetwater Valley.

The planning commission took no action on the permit request.

Lowell Davies, one of those who protested, said that the project would "substantially affect everybody" and called it "foreign to the residential and community growth now there."

Creaser said California Water andTelephone Co. has three principle objections: 1.) that blasting could seriously affect the company's nearby Sweetwater Reservoir; 2.) that the company has 20 acres in the area that can be developed for subdivision purposes; 3.) "the devil of a lot of noise that will ring for eight to ten hours a day in people's ears."

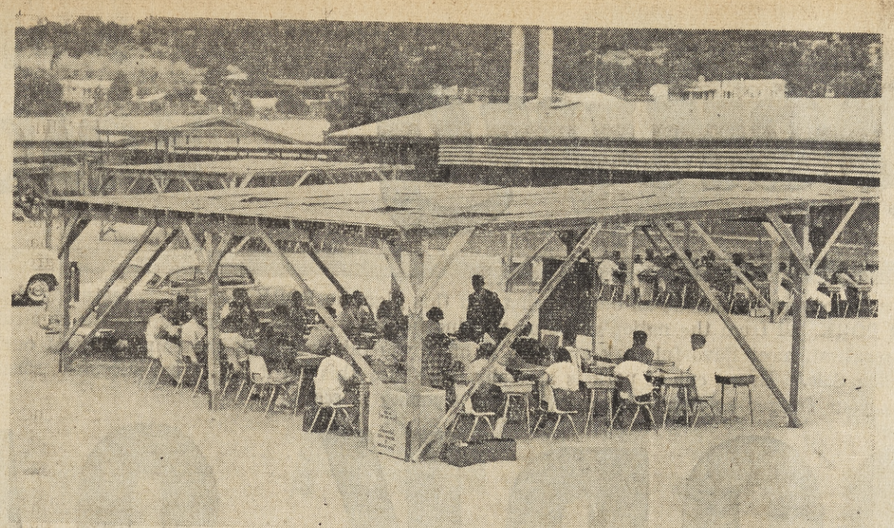

F. Morton Cameron, attorney for the Dennis Company, assured Creaser there would be no blasting, but would be a "ripping opration." He added that the company was doing everything possible to prevent the operation from being disagreeable to neighbors. He said the plant would be located in a bend of the hills to make it inconspicuous.

G. McMaster, another property owner, disagreed. He insisted that the plant site is in direct view of his property.

The company is seeking a permit for operation on three sites, starting just above the Sunnyside bridge and going upstream in the river bed to a point west of the reservoir. The processing plant would be located in the middle area, with a rock quarry furthest upstream and a sand borrow pit nearest the bridge.

Others who spoke against the permit included Mrs. A. J. Greiger, who also wrote the one letter of protest, and A. Ellis Barron. The latter explained that the application had taken people in the area by surprise so that their opposition did not develop until the last moment.

In addition to those who spoke, the following were in the audience to protest: J. A. Rodgers, Paul Mullins, John B. Pettit, Von A. Parkinson, Mrs. G. Louis Farrington, Louise H. Pratt, Mrs. Mary A. Clark, Johnathon T. Cobb, Scott N. Babcock, Robert J. Leuty and Gen. Lara P. Good.

WIDE OPEN SPACES — These open-air ramadas are being used at Spring Valley Junior High School as temporary classrooms. Permanent classrooms now under construction will be ready for occupancy in a few weeks, officials of the school district said.

Evening of Fun Set For Friday In Lemon Grove

(Continued)

ribbon by County Supervisor David Bird at 6:30. Immediately, a caravan, headed by pretty Marilyn Sima, who is Miss Lemon Grove, will ride north on Imperial past the newly-cut ribbon. Her convertible will be flanked by two local horsemen, Bob Howell and Frank Bettencourt. Their horses will have full parade trappings and the riders will be attired in parade dress.

As soon as the caravan passes, the street will be roped off and police officers will direct traffic over Main Street which parallels Imperial. Chief Black Hawk and his tribe of Indians will present authentic Indian dances to the background music of tom-toms.

The Mt. Miguel High School Pep Band and Cape Corps will perform starting at 7 p.m. They will be followed by the combined fire departments of Lemon Grove and Spring Valley. A safety display will be presented by the two groups.

The street dance starts at 8 p.m. and will continue until midnight. The band is furnished under the auspices of the Fiesta del Pacifico organization to tie the Lemon Grove project to that of the Fiesta.

The group is all-professional with some of the members having played in nationally-known bands such as Benny Goodman, Guy Lombardo and Harry James.

Square dancing also will come in for a big play. Popular music will be alternated with square dance tunes. Stan Bryan will call the squares.

At 9 p.m. dancing will stop momentarily while a costume judging contest is conducted. Prizes will be awarded for best Spanish, Fiesta, and western costumes.

Free Lemonade will be served all day Friday by members of the Lemon Grove Jaycees. They emphasized that the lemons will be "home-grown."

During the evening a vocal program will be presented by winners of the Fiesta Talent Quest contest.

Grove Student New Co-Champ In Chess Field

Robin C. Kirby, 21, of 2152 Eldora St., Lemon Grove, has been named co-champion chess player of the State of California. He tied for first place.

The championship tournament was played in Fresno.

Kirby, a graduate student in mathematics at the University of Chicago, has been working at the Navy electronics laboratory. His father, Dr. Bernard C. Kirby is associate professor and head of the sociology department at San Diego State College.

Dr. S. Brumbaugh Wins Kiwanis Nomination

Dr. Simon C. Brumbaugh, pas president of the Lemon Grov Kiwanis Club, has been nominated unanimously for the post o lieutenant governor of the San Diego division of Kiwanis International.

His unanimous nomination, according to Freeborn W. Cressy president of the Lemon Grov club, is tantamount to election since there are no other candidates for the post. The formal election is scheduled for Oct. 11 14 when the California-Nevada Hawaii district holds its annual convention in Las Vegas.

The San Diego division of Kiwanis (Division 11) includes clubs in San Diego, East San Diego, San Diego Harbor, Southeastern San Diego, National City Chula Vista, South Bay, College Area and Lemon Grove.

After the nominating conference, Kiwanis and their wives attended a dinner at Michael's cafe in Lemon Grove. There were 75 at the dinner, Cressy said. The nominating conference and dinner were held Saturday evening.

'Smog Season' Due To Start

(Continued)

the air as a results of combustion, such as by automobiles and fuel burning plants. At the present time, the concentration of oxides of nitrogen in San Diego air is not high enough to be considered harmful to man.

Three of the episodes of smog during the past two years were definitely traced to an indrift of smog from the Los Angeles Basin via the Catalina eddy.

Although more instruments are needed to collect more facts, Bush said that there is definite evidence of crop damage, particularly in the Oceanside-Vista area.

L. M.Klauber, chairman, stressed to the Board of Supervisors the need for additional facts so that San Diego may know what to do about its increasing smog problem. Bush said that San Diego has a chance to prevent its air from being "as sick as the air in Los Angeles." He listed among the steps to prevent smog in San Diego the collection of more data about our problem so that San Diego may know where to best locate its freeways, its industry and what controls will actually decrease the air pollution.

Members of the County Board of Supervisors are the directors of the San Diego County Air Pollution Control District. J. B. Askew, M. D., director of public health, is air pollution control officer.

BANKING COURSE

Helix High School is slated to function as an evening campus for the American Institute of Banking. Two courses, Principles of Bank Operations and Commercial Law, which lead to the Institute's pre-standard certificate, will be offered every Tuesday night from now to December 17.

Spring Valley Schools Prepare Revised Property Acquisition Plan

All data has been compiled to submit a revised application to the State Allocation Board to purchase eleven pieces of property for the proposed Garden Valley Elementary School, to be located near Helix St. and Olive Dr., in Spring Valley. This report was given to trustees of the La Mesa-Spring Valley School District at the Monday night meeting.

It previously was necessary to make an extensive change in the boundaries because of the County's need to plan for a roadway across the site as originally presented. The Allocation Board approved the present boundaries March 6, 1959, and on June 18 appointed appraisers for the revised site. The appraisals have been received, and the County Council has reviewed the preliminary title reports and prepared a letter to accompany the application. It is now necessary to adopt a new resolution authorizing the filing of the revised application, the report stated.

The Trustees of the LM-SV Board of Education on Monday night voted to make offers to property owners of the eleven parcels needed for the school. Letters will be sent to the property owners in the needed area, within a few weeks, Fred Lance, business manager for the district, has indicated.

In other school site acquisition business, it was reported that the escrow papers have been signed for 10.48 acres, owned by Thomas E. Sharp, for the proposed Loma Elementary School, east of Casa de Oro. The amount of money for the land has been set at $50,000.

In further school site business, Sam Hammil, architect, presented plans for the proposed Highland Avenue Elementary School, to be located on an eleven-acre site near Highland Ave. and South Barcelona St.

Petitions Due In Area Friday

(Continued)

Junior High School and the various elementary schools as other focal points.)

2)..**What the cost** of the needed facilities will be and how the money will be raised. (A part of the operating funds, Smith said would come from a special recreation tax, which probably would about equal the 9-cent tax now imposed in the area to pay for operation of the two county library branches already here. Special fund drives and donations, he said, probably will bring in other funds—and volunteer help in building facilities and operating the program probably will reduce costs considerably).

The Monday evening meeting is open to the public, Smith said, as all meeting of the Coordinating Council are. He said than any individual or representative of any organization is welcome to attend.

PERMITS GRANTED

SAN DIEGO (CNS) — The County Planning Commission Friday granted two special use permits requested by Lemon Grove interests. — One is for an addition to the Church of Christ classroom building at 2515 Imperial Ave. The other is for a real estate billboard on the south side of Broadway Boulevard (Federal), east of MacArthur Drive. The latter permit was issued to Anchor Signs and will

School District Protests Charge For Sewer Service

construction site. The property reimburse the district and make owner and contractor agreed to necessary repairs to bring the property back to its former condition.

Paul Reynolds, district business manager, reported on new legislation. A change affecting classified personnel gives the latter a choice of remaining in the California Retirement system or combining it with Social Security. Previously, those in the state plan had to relinquish Social Security coverage.

An hour-long discussion was held on the district's insurance program. Reynolds produced a statement of values on school property, a study which the board had been attempting to get from various insurance firms for more than a year. A reorganization of the district's insurance program is still under study.

Boys Work Fund To Profit From Race Ticket Sale

Optimist Club members in Lemon Grove and other San Diego communities are selling tickets for the modified stock car races set for this Saturday evening at Balboa Stadium.

Fifty cents from the sale of each ticket, according to Clarence Sheidle of the Lemon Grove club, will go to the clubs for their boys work projects.

All Optimist Club members, he said, have tickets. Sheidle can be reached at the Lemon Grove Paint and Body Co., phone HO 3-2512.

Sheridan Hegland To Address Men's Club Friday

State Assemblyman Sheridan Hegland of La Mesa will be guest speaker at Friday's meeting of the Lemon Grove Men's Club, president Jesse Lee has announced.

At last Friday's meeting, James Bear, Chula Vista attorney who ran unsuccessfuly for the assembly against Jack Schrade of El Cajon, was speaker. He discussed some of the interesting cases handled by his law office.

Bear also reiterated the story of his being stabbed in the chest recently when the estranged husband of a client in a divorce suit went berserk in his office.

GIRL SCOUT TROOP 375 MEETINGS RESUMED

Lemon Grove Girl Scout Troop 375 will resume weekly meetings at 2:30 p.m. in Thursdays in the basement of the Lemon Grove Congregational Church, according to Mrs. Wesley Ropp, Troop Leader. Seventh and Eighth grade girls who are interested in joining are invited to attend a meeting or call Mrs. Ropp at HO 6-3601 for further information.

Demos Name Dollar Getter

Jack Saucier of 1631 Woodrow has accepted the leadership of the Dollars for Democrats Drive in the Lemon Grove area.

Saucier will work directly with the county chairmen of the drive, Mrs. Diane McGinness and Jack Delany.

Governor Edmund G. Brown will open the drive in San Diego on Thursday, October 1. Following a breakfast in his honor, he will signal the opening of the three-day drive in California by ringing doorbells for individual contributions.

Invitational Meet Set for Area Divers

The La Mesa Swimming Association has made final plans for an "Invitational" diving meet, to be held Saturday at the La Mesa Municipal pool, McArthur Park, 8440 University Ave., La Mesa. The meet will be sanctioned by the Pacific Southwest Association Amateur Athletic Union, and will start promptly at 9 a.m.

Those over 12 years of age may enter open events as well as age-group if desired. The 1959-60 A.A.U. diving rules will govern. A diver's age on the day of the meet will determine the event he or she may enter.

Individual trophies will go to first, second and third place winners of each event. Duplicate awards will not be made. No scratches will be permitted except at the discretion of the diving referee. Divers must compete as entered or be disqualified for the entire meet.

Each entry must be filed on an official entry blank and be accompanied by a fee of $1 for each event. Entries close at midnight Friday. All entries must bear a 1959 A.A.U. registration number to be accepted. A complete list of dives to be executed must accompany each entry.

The La Msea pool is outdoors, with both one and three meter aluminum diving boards. The water is ten feet deep in the diving area.

A nominal charge will be made for all spectators and proceeds will be used for the promotion of diving in Southern California.

All entries must be mailed to 8447 La Mesa Blvd., La Mesa, c/o Leslie Gidvegi, or brought with travel papers to the La Mesa Swimming Association, La Mesa Municipal Pool. Make checks payable to the La Mesa Swimming Association. For further information call Coach Hedvegi at the pool, HO 3-1755 or at his home, HO 3-1793.

PING PONG

The La Mesa Recreation-Park Dept. says there are many requests for adult ping pong. Superintendent Tom Lean says that all adults wishing to play the game are requested to call the department, HO 9-4128, or appear at the Youth Center, 8440 University Ave., after Sept. 25. Applications then may be filled out. If the department receives enough applications they will be happy to start an adult ping pong program, Tom Lean said.

James T. Bowles Funeral Services Held Saturday

Funeral services for James Theodore Bowles, 85, of 3546 Bancroft Dr., Spring Valley, were held Saturday morning at the Chapel of Prayer, Cypress View. Entombment followed in the Cypress View Mausoleum. He died in a San Diego hospital on Sept. 10. A native of Missouri, he had migrated to Colorado at an early age, where he took up farming. He, his wife and family moved to San Diego County in 1926 and to Spring Valley in 1942.

Services were under the auspices of the Spring Valley Friends Comunity Church, with Rev. Loren D. Mills officiating.

Survivors include his widow, Mrs. Luetta Bowles; a daughter, Mrs. Gertrude Cisco of the Bancroft Drive address; two sons, Oliver Bowles of El Cajon and Clarence Bowles of Colorado. There are nine grandchildren and 19 great grandchildren.

Mr. and Mrs. Bowles were to have celebrated their 65th wedding anniversary on Sept. 20.

Claude D. Risser Services Held In La Mesa

Funeral services for Claude D. Risser, 75, of 3918 Spring Dr., Spring Valley, were held at Erickson-Anderson Mortuary, La Mesa, Monday morning. Interment was at Ft. Rosecrans National Cemetery. He died September 10 at his home. A native of Ohio, he had lived in Spring Valley 31 years. He was a retired clothing salesman for the Lion Clothing Store of San Diego, where he had been employed for 25 years.

The services were under the auspices of the Elks Lodge 168 of San Diego and the Rosecrucians. He was a member of both these organizations as well as Chapter 74, D.A.V. of La Mesa, which conducted graveside services.

Risser is survived by a sister, Miss Mabel Risser of Ohio, a brother, Harry Risser of Ohio; two nephews, Richard Risser of Ohio and Joseph Risser of California.

Father of Valley Man Dies at Ohio Home

Word has been received here of the death in Ohio of the father of John H. Fenneken of 4105 Conrad Dr., Spring Valley. The Spring Valley man was to have gone East soon to visit his father and bring him here to live. Surviving him are five children, five grand children and 12 great grand children.

Sad But True

Fun is exactly like life insurance. The older you get the more it costs.

— Gung-Ho, Columbus Ohio.

Couple Starts Church In Valley

A Spring Valley couple, former members of the Assembly of God church in La Mesa, have started a Full Gospel church in the garage of their home.

Mr. and Mrs. Alby Sherill, 3637 S. Cordoba, said that they have conducted sevices in their home for several weeks. Mr. Sherill now has put up benches in their garage and services will be held there, he said.

The Sherills said that they hope to build up a "substantial" church eventually. Services are Sunday and Tuesday evenings at 7:30.

☆ It's a newspaper's duty to print the news, and raise hell.

"One old friend is sure to outlast me: THE FIRST NATIONAL!"

"Who'd have dreamed that Tom would die and I'd still be here!" one of our old customers exclaimed recently. "Ten years younger than I was, and twice as healthy – we thought. I even named him the executor of my Will. "And now his widow is looking to me for help in straightening out his affairs."

Two weeks later, this customer and his attorney visited First National's Trust Department. Together we discussed his estate problems.

"The bank has been a good friend to me through the years," he explained, "and it's one I know will be here after me—still in good health and on the job, with a world of experience and local know-how to administer my affairs and look after my family's interests."

Mt. Miguel Gridders Prep For First Game

by Bill Ott

Mt. Miguel High School's varsity football team is working hard in prepartion for a tough schedule ahead.

The team, approximately 50 strong, worked twice a day for three days beginning on September 7. The team now works out from two to three hours a day. The team is under Head Coach-Line Coach Tom Welbaum and Backfield Coach Harry Johnston, former Vista head grid mentor. The Miguel squad plays host in this year's Metro Carnival to be held September 25 at 7:30 p.m. in San Diego State's Aztec Bowl. Mt. Miguel is matched against arch-rival Helix High in the Carnival.

On Saturday evening, September 26, Mt. Miguel opens its Metro campaign against co-champion Escondido High at Escondido. Kick off time is 8 p.m.

The remaining '59 schedule is as follows (all games start at 8 p.m.):

October 2	Chula Vista* at Chula Vista
October 9	Hilltop at Chula Vista
October 16	El Cajon at Gillespie Field
October 23	Sweetwater* at Helix
October 30	Gardena at Gardena
November 6	Grossmont* at Helix
November 13	El Capitan* at Helix
November 20	Helix at Helix

Baptist Church Notes

Rev. Roland Taylor, recently of the First Baptist Church of Brawley, California, will be guest pastor at the Sunday morning and evening services of the First Baptist Church of Spring Valley, as well as the following Wednesday evening prayer meeting. The congregation will vote on whether to accept Rev. Taylor as a regular pastor, Sunday, following the morning services.

The Casa de Oro Baptist Church (Rev. Ernest Anderson, pastor,) will hold its first Sunday School and Worship services in the new church building, 10195 Madrid Way, Sept. 27.

This Sunday will be an open air service when the Sunday School children will be assigned to their various departments. Rev. Anderson reports the attendance has been large at the open air services and that there is great enthusiasm as the members look forward to the opening of the new church on Sept. 27.

NEW OFFICERS — Governing bodies of the Spring Valley Junior High School for the current term (left to right): Associated Student Body, from left: Pat Shipstead, president; Gary Raines, treasurer; Julie Johnson, secretary; and Eddie Collins, vice president. Boys Federation, from left: Dennis Haberkamp, secretary-treasurer; Craig Stamper, president; and John Cobb, veep. Girls League, Diane Cutler, president. Not present for the picture were: Sharon Corpening, vice president, and Carol Fite, secretary-treasurer.

MINERALOGY COURSE

Rockhounds, teachers and budding geologists will be interested in a course entitled "Introductory Mineralogy" being offered this fall in San Diego by University of California Extension. The college-level classes meet in the evenings from 7 to 9:30 p.m. on Thursdays at Roosevelt Junior High School, 3366 Park Blvd., San Diego. First class meets Sept. 24.

Mrs. Ellis Wins Padres Prize

Mrs. Frank Ellis, 1805 Eldora Avenue, Monterey Heights, was named winner last week of the San Diego Padres three-day all-expense trip to Phoenix, Ariz.

The prize was offered by the Padres on a no-obligation tear-off-the coupon basis.

Mrs. Ellis' name was drawn from hundreds of thousands.

The couple are leaving this week on their annual vacation nd will utilize the Phoenix prize later in the year, they said.

Mrs. Ellis was president of the Lemon Grove Business Women's League last year. Frank Ellis is secrtary of ahe San Diego Unit of the Independent Garage Owners Association.

Tropical Fish Society To Meet

The regular monthly meeting of the San Diego Tropical Fish Society will be held Sunday in the U.C.T. hall, 4569 30th St., San Diego, starting at 7:30 p.m. A sound colored film entitled "America's Most Fascinating Hobby" will be shown following the regular meeting. Anyone interested in the hobby of tropical fish is cordially invited, says Mrs. Melvin Petersen, publicity chairman.

MUSIC APPRECIATION

The Grossmont Adult School will offer a course in music appreciation this Fall in addition to its previously announced evening courses. The class will meet at Helix High School in room 81, every Wednesday from 7 to 9:30 p.m. Discussion will be implemented by recording of representative work of the fine composers.

Trinity Clippers Plan Big Dinner

The Trinity Clippers, a young married couples' group at Trinity Presbyterian Church, 3902 Kenwood Dr., Spring Valley, has scheduled its annual Tropic Inn dinner this Friday.

On the menu is barbecued fish. There will be a hula dancer for entertainment, and leis for the guests.

Serving will begin at 5:30 p.m., according to Mrs. C. M. Case, and will continue until 8 p.m.

The public is invited, she said, and reservations can be made by calling Mrs. John Wing at HO 9-8456.

Tea Planned For Teachers By Area Pastors

Teachers of the Lemon Grove Elementary School District, and those who teach at Mt. Miguel High School, will be guests Sunday of the Homeland Pastors' Association at a tea.

The tea, according to Pastor H. C. Bakken, president of the group, will be held from 4:30 to 6 p.m. at the cafetorium of the Lemon Grove Junior High School.

High school teachers recently have been luncheon guests of the Lemon Grove Chamber of Commerce board of directors.

Elementary school teachers were guests of the Lemon Grove Kiwanis Club.

Lemon Grove Optimists Induct Eleven Members

The Lemon Grove Optimist Club held a combination "wives' night" and induction of new members recently.

Dr. George Cobley, vice presiden of Optimists International of Santa Monica; Leonard Bonham, District 14 governor, of Point Loma, and Harry Wilson, lieutenant governor, of Lemon Grove, were guests.

Dr. Cobley presented the Governor's Award to Don Wenzel, past president of the club. The award is made annually to clubs which have done outstanding work during the fiscal year.

Inducted into the club were Willis Davis, Cubas Ferbe, Harvey Gosslin, Gene Gregson, Harry Keller, Frank Palazzola, Harry Pathiakis, George Quirk, Charles Tappy, B. J. Vinyard and James Whisenhunt.

In the photo above are, front row from left, Mr. and Mrs. Leonard Bonham, Mr. and Mrs. George Cobley and Mr. and Mrs. Don Wenzel; rear row from left, Mr. and Mrs. James Whisenhunt, Mr. and Mrs. Charles Tappy, Mr. and Mrs. Harry Pathiakis, Mr. and Mrs. Harry Keller, Mr. and Mrs. George Quirk.

LAST WEEK FOR SEMTSTER CLASSES

This is the last week to enroll in advance for college-level courses in the University of California Extension's fall semester, which starts in San Diego next Monday. There are 111 different courses available in a full range of academic subjects.

Circus to Come To Westgate Park

"The Greatest Show on Earth," which might properly fly from its spangle-crested banner the boast that is has been around the world 89 — count 'em — 89 years, brings its 1959 edition to Westgate Park, Sept. 23-27.

For this is the Ringling Bros. Barnum and Bailey Circus, traditionally labeled "The Big One" by the entertainment fraternity, and the local engagement will be for three night performances and five matinees. Already, Wednesday and Thursday nights (Sept. 23 and 24) have been sold out.

☆ Newspapers have degenerated. They may now be absolutely relied upon. — Oscar Wilde

Hollywood Highlights

by Bob Turnbull

John Saxon is currently thesping in Chicago in his first legit offering, "The Reluctant Debutante," a re-do of his movie . . . Lemon Grove's **Dennis Hopper** slipped a ring on teen-doll **Tuesday Weld's** pinkie, thereby angering **John Ireland** . . . Overheard in a **Channel 10** studio: "I hate being on TV — I always get the feeling I'm being watched."

FABIAN'S EGO SLAPPED

Sandra Dee says she will reluctantly studio-date **Fabian,** but please, no pictures . . . **M. Marcel Gyarmathy,** artistic director of the Folies Bergere, is now consulting with **Lou Walters** in Las Vegas on remodeling the stage of the Tropicana Hotel for the opening of the Folies on December 25 . . . **Castings: Don Wilbanks** into a "Lawman" segment; **Terry Moore** as the sexy secretary in "Platinum High School;" **Mickey Finn** in Batjac's "The Alamo;" and **Rob Barren** into a "Loretta Young Show." . . .

GOONS KILL COP

"The Choppers" is a feature film concerning a gorgeous gal (**Marianne Gaba**) who guides a gang of teenage goons who accidentally kill a cop . . . Anaheim's 52nd motel A.D. (after **Disneyland**) sprang up last week . . . Watch for this column to have a face-lifting in the very near future. At present I'm struggling for a new name. Might even go back to my six-year stand of "Throwin' the Bull." . . .

Barry Coe has returned from location as a director, no less. Nothing too big, though. An Army training film at Fort McArthur . . . It's reached the stage in a **Sunset Strip** saloon where a sign says "If you don't have your credit card we will accept cash."

Until tomorrow, Vaya con Dios!

The Mail Box

Dear Editor:

I read recently in another county newspaper where the Lemon Grove Coordinating Council is planning a large recreation district. I also read in the same newspaper that the boundaries of the recreation district, will extend into the heart of Spring Valley. Why was this done without first consulting the people of this large tax-grab area?

At the board of directors meeting of the Spring Valley Chamber of Commerce, September 14, the following questions were asked:

What sort of recreational facilities will be built for the people of Spring Valley, for which they will pay?

Where will these be located and by whom will they be governed?

Is this the first step in the direction of incorporating a large area as the "City of Lemon Grove" at a later date?

The older residents of Spring Valley still remember this same type of sleeper deal that was pulled on them back in 1948 when the Lemon Grove Zoning District was extended deep down into Spring Valley, with no notice given, whatsoever.

So, just a word of warning: Do not sign any petition until this issue is brought out in the open and explained in detail to complete satisfaction.

The Spring Valley Chamber of Commerce will hold a public meeting on this issue at a later date.

Signed, William Doughman,
8933 Olive Dr., Spring Valley,
Member Board of Directors,
S.V. Chamber of Commerce

Editor:

It is hard to put in words how a person feels inside his heart. If we could speak with everyone personally, who were so kind to us during our son's struggle for life, who gave blood so willingly, who called because they were concerned for our son, and for all who prayed, we would say thank you so very much and God bless them all.

My confidence in human nature has always been high, but at this time it is at the top rung of the ladder.

Paddy is now at home and appears to be doing well.

Thanks all again.

Mr. and Mrs. Joe Leone

(Editor's Note: About a month ago, 5½-year-old-Patrick Leone was riding his bicycle when it hit a hose stretched across the sidewalk. The boy fell against the handle bars of his bicycle and suffered a ruptured liver. More than five gallons of blood were required for transfusions—blood which was given by friends of the family.)

Three Concepts Incorporated In New Music Instruction Book

LA MESA—Three guiding concepts have been incorporated in a newly-published music instruction guide for teachers of the La Mesa-Spring Valley School District, according to one of its co-authors.

The author, Mrs. Josephine Cunningham, coordinator of music, said the 124-page book, Creative Music Education, is unique in that it recognizes that music is a subject to be taught in the school, but that it is not an isolated subject.

Secondly, she said, the guide presents many attractive ways in which music may be used in the teaching of such subjects as arithmetic, art, language arts, science, social studies, physical education and health. The third concept incorporated in the book is a section devoted exclusively to tips for helping musically gifted pupils.

A guiding philosophy behind the book, Mrs. Cunningham said, is the belief that "music is perhaps man's most effective means of communicating his deeper emotions."

Collaborating in the preparation of the manuscript for the book which was released for use in elementary and junior high school classrooms this fall was Mary C. Evans, curriculum specialist.

Mrs. Cunningham and Miss Evans said teachers from all the schols contributed ideas for the book which helps outline various opportunities open for music instruction.

"Creative musicians, whether they be composers or performers, have made contributions to our culture which are of incalculable value," Mrs. Cunningham said regarding the section on gifted children. "All children need to grow in knowledge and understanding of music, and need to participate in musical activities, but for some gifted few, music may well become the supreme driving force of their lives. It is as important to identify such pupils and to foster growth in their special abilities as it is to identify and educate pupils with any other potentially unusual or marked abilities."

The guide does not put emphasis alone on gifted children, Mrs. Cunningham pointed out. "All teachers should provide experiences for all children to listen to music, to sing, to play instruments, to respond rythmically to music, to develop skills in reading music and to use music creatively to express their ideas and emotions."

Many techniques are suggested for achieving these goals. In addition, teachers are provided with lists of reading materials, film strips, recordings, motion pictures and the like, which can be used in classrooms. Community resources are also pointed up, resources such as the San Diego Civic Music Association, the Light Opera Association, the various youth orchestras, musical offerings at the various area colleges, and many more.

Mrs. Cunningham and Miss Evans included suggestions as to how music may be related to various subjects. Under the heading of arithmetic, for example, was the comment "Clapping, stepping and counting rythms, working out dances and using instruments involve such important arithmetic skills as counting, grouping, matching and recognizing dissimilar groups."

"Music, painting, drawing, sculpture and architecture share many elements," they said. "All share many principles of composition, design, contest, repetition of lines, mood or color."

As for the language arts, there is the suggestion that children enjoy making up calypsos, which are nothing but musical conversation and story telling. Tips are also given for using music to sharpen listening skills, to develop creative writing abilities and develop vocabulary.

In the area of science is the remark, "The sound of the wind and the patter of the rain, the crack of thunder, flashes of lightning and the movements of clouds across the sky are weather sights and sounds that children translate easily and naturally into tonal or rythmic patterns. In listening to records they will often identify passages which remind them of such natural phenomena."

A total of 750 copies of the book were printed in the first press run, Mrs. Cunningham said. Copies will be available for sale to other school districts.

In summing up the musical program of the La Mesa-Spring Valley schools, Superintendent Glenn E. Murdock said, "It is the purpose of this guide to help teachers carry on the kind of creative music education program that should be provided for every child."

An instructional guide is not a mere list of content areas to be taught, he said. Neither is it a "blueprint for action."

"This guide keeps ultimate goals in view, points to outstanding landmarks along the way and calls attention to possible hazards," he said.

Murdock recalled the words of Plato in asserting, "Music is a moral law. It gives soul to the universe, wings to the wind, flight to the imagination, a charm to sadness and gaiety and life to everything."

God's Minute

PRIVILEGE OF PRAYER

Pryaer is not a tedious and laborious job to get out of hte way. It is one of the highest privileges in life. It is the privilige of coming into the presence of the King of the Universe and laying your case before Him.

LET US ALL PRAY TOGETHER AS A FAMILY

Like so many other things, we are apt to take our citizenship in this beautiful and blessed nation for granted. With privilege and opportunity come responsibility. As individuals we must assume our responsibilities of a personal life which guarantees honesty and integrity to all who deal with us and that of a citizen who will be willing to forego personal rights and privileges for the preservation of domestic practices built on Christian principles. LEMON GROVE REVIEW

AND SUBURBANITE

Section A — Page One September 17, 1959

Comparing notes on their reactions to a newly-printed music instruction guide for the La Mesa-Spring Valley School District are the two co-authors, Mary C. Evans, curriculum specialist, left, and Mrs. Josephine Cunningham, coordinator of music. The 124-page book, "Creative Music Education," was made ready just in time for the opening of school.

What's Doing In the PTA?

The Spring Valley Elementary School PTA will have its first meteing of this school term Thursday, beginning at 7:30 p.m. in the patio, adjacent to the cafetorium. A speaker from the La Mesa-Spring Valley School District office will speak on situations facing schools this term. Teachers new to the Spring Valley Elementary staff this term will be introduced. Boy Scout Troop 171 will lead in the flag ceremony. Coffee and cookies will be served and time allowed for parents to visit with the teachers.

Mrs. Caroline Belt and Mrs. Dorothy Salters, room representatives, announce the following room mthers have been selected: kindergarten, Mrs. Lynden Meredith (teacher, Mrs. Laura Lindberg); Mrs. Ervin Peak (teacher, Sylvia Evans); Mrs. Lewis Rose (teacher, Mrs. Florence Miller); Mrs. Edwin Lindgren (teacher, Beverly Goss);

First and second grades: Mrs. Fay Riley (teacher, Mrs. Evelyn Campbell); Mrs. Roy Nelson (teacher, Mrs. Betty Blake); Mrs. Charles Serr (teacher, Phyllis Wilson); Mrs. Robert Rodvald (teacher, Mrs. Marlene Trummel);

Second grade: Mrs. George Archer (teacher, Mrs. Beverly Jackson); Mrs. Clarence Newton (teacher, Mrs. Lillian Harrison); Mrs. Justine Lundquist (teacher, Anna Mineo);

Third grade: Mrs. George Tweed (teacher, Blanche Morgan); Mrs. David Neptune (teacher, Mrs. Ilene Carpenter); Mrs. Helen McGuffin (teacher, Mrs. Winifred McGinty);

Fourth grade: Mrs. Charles Fusco (teacher, Mrs. Pearl Hoverson); Mrs. John Sunderson teacher, Mrs. Ethel Hawks);

Fourth and fifth grades: Mrs. Owen Downing (teacher, Mrs. Marilyn Filley);

Fifth grade: Mrs. Kenneth Pear (teacher, Patricia Happel); Mrs. Paul Brose (teacher, Mrs. Katherine Sheehan); Mrs. Jess Standridge (teacher, Eleanor Tracy);

Sixth grade: Mrs. Frank Flow (teacher, Virginia Sardella); Mrs. Richard Golden (teacher, Keith Roosen); Mrs. Albert Compton (teacher, Duane Hall.).

Mrs. G. R. Ribley, classrooms aids workshop chairman, is lining up committees. Anyone interested is asked to contact Mrs. Ribley at HO 9-5659. There will be two work groups alternating every other week. Mrs. Minnie Rushing, principal, praised the valuable aids this group turned out last year.

There will not be an October PTA meeting due to the auditorium being used as classrooms for the new Avondale School.

—o—

The SV PTA held its annual teachers luncheon Sept. 1. Following the luncheon Mrs. Minnie Rushing, principal, introduced the attending PTA board members.

The following new teachers were introduced: Beverly Goss, kindergarten; Phyllis Wilson and Mrs. Marlene Trummel, first grade; Mrs. Ilene Carpenter, third grade; Mrs. Ethel Hawks, fourth grade; Patricia Happel and Mrs. Katherine Sheehan, fifth grade; Virginia Sardella and Keith Roosen, sixth grade.

—o—

Mrs. Wiladine Johnson, president of Bancroft PTA, presided over a meeting held recently for ratification of the following chairmen for the 1959-1960 school term: Budget and Finance, Mrs. Fred Ralston; Calendar, Mrs. Gerald Fuller; Carnival, Donald Blackman; Citizens Advisory Council, Mrs. Thomas Smith;

Founders Day, Mrs. Lewis Schoby; Character and Spiritual Education, Mrs. David Stephens; Health and Welfare, Mrs. Reon Raucher; Hospitality, Mrs. L. W. Stirling; Legislation, John A. MacGilvary; Magazines, Mrs. Garland McCurdy; Newsette, Mrs. Frank Tromell and Mrs. Morris Becker; Membership, Mrs. C. J. Masse; Program, Mrs. James McCarthy; Publicity, Mrs. Walter A. Adsit; Publicity Record Book, Mrs. Clifford Pennick; Room Representatives, Mrs. H. R. Auston and Mrs. Grant McClellan; Teachers Aid, Mrs. Howard Skinner; Civil Defense, Frank Berger, Jr.; Spring Valley Jr. High, Mrs. H. Skinner; Mt. Miguel, Mrs. Reon Raucher; Telephone, Mr. Grant McClellen.

Million Dollar Paving Job Wins Approval

SAN DIEGO (CNS) — Plans for a $1,000,000-street-paving project in the La Presa area were approved Tuesday by the County Board of Supervisors.

Forty-eight square blocks are included in the work, where water and sewage disposal facilities have already been made available, and Supervisors were told that the improvements have resulted in a 3,000 per cent increase in property values.

The area affected is bounded by San Diego Avenue, La Presa Avenue, Jamacha Road and San Carlos Street.

Donald Short, the engineer for the project, told Supervisors the total cost is estimated at $937,646. He said $795,600 was estimated for the actual paving, with curbs, gutters and some drainage structures, and $142,046 was estimated for incidental expenses.

Assessed valuation for land in the same area was $146,120 as of the last date figures were available, in March, 1958, Short declared. He said the relation of assessed values to the cost of the project seems low, unless it was realized that the 1958 valuations were based on totally unimproved land.

"Lots were assessed at $80 in 1958," the engineer declared, "but now it is difficult to purchase one for $2,500." He added that water and sewage have already been made available.

Some protests to the project have been expressed, and Helen Kleckner read one from a property owner who said Supervisors "were too damned far out of line" in considering such a project. However, the same objector wrote a postal card to the Board, after a meeting at Mt. Miguel High School on Sept. 10, withdrawing his previous objections.

Two Students Hurt In Scrimmage At School Field

The Spring Valley ambulance crew was kept rather busy this past week.

Two Mt. Miguel High School boys, practicing football, Sept. 11, got in a rough bit of scrimmage and sustained broken bones. They were taken to a local doctor. Robert Norton of 3494 South Barcelona, had a broken knee cap; and Ronald Martina of Jamul, a broken wrist.

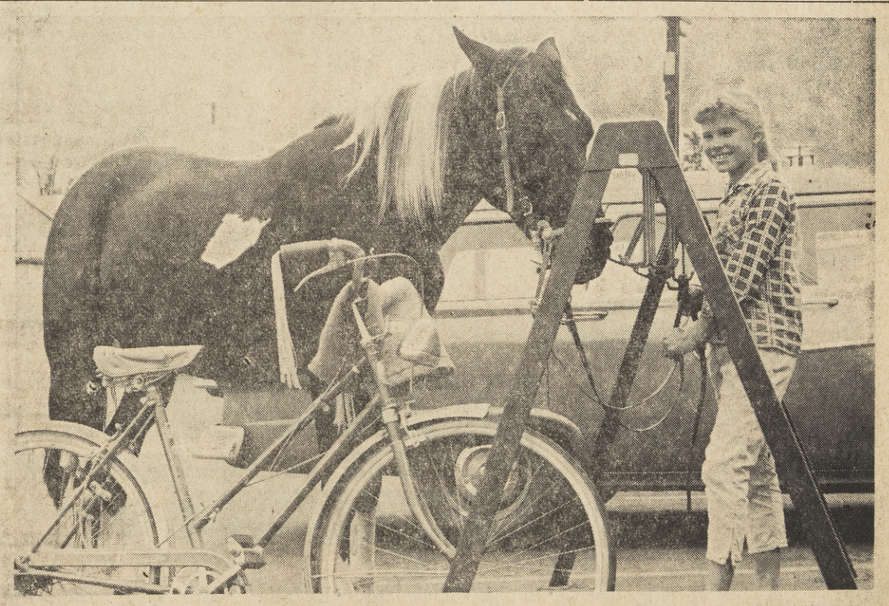

Mrs. John Hanlon of 9084 Lemon St., was taken to Paradise Hospital Sept. 12, for maternity cause.

Eary on Tuesday morning of this week, 13-year-old Stanley K. McPherson of 941 Rangeview Dr., Spring Valley Estates, decided to get up before his parents and take the family car for a drive. The drive ended in disaster, with the Spring Valley ambulance being called. A short distance from the McPherson home Stanley ran the car into an open ditch. Stanley was knocked unconcious and the car partially wrecked.

Debbie Bledsoe, five-year-old daughter of Mr. and Mrs. Ralph Bledsoe, 3509 Glen Dr., was given oxygen by the S.V. ambulance crew Wednesday afternoon, after she apparently had gone into convulsions. She was taken to a La Mesa doctor.

LOAN APPROVED

SAN DIEGO (CNS) — A loan of $25,000 to the Spring Valley Local Fire District was approved Tuesday by the County Board of Supervisors. The fire district asked for the advance from the county treasury until its own tax receipts can come in later in the year.

MANY METHODS — They come from a long way and they come in various ways to the county library branch in Lemon Grove. Here 12-year-old Susan Bjorstrom of 3726 Bancroft Dr., Spring Valley, hitches up her horse, Frisky. Already at the "hitching post" is a bicycle, and a station wagon is parked near by.

PRINTED CIRCUITRY COURSE OFFERTD

A course entitled "Printed Circuitry," especially designed for professionals in the electronic and electrical fields has been scheduled by University of California Extension for its fall semester in San Diego. First class in the course, which will be taught by Robert W. Bromley, will be held Sept. 22 from 7 to 9:30 p.m. at Roosevelt Junior High School, 3366 Park Blvd. San Diego. Classes will meet weekly thereafter on Tuesdays during the same hours for 12 sessions.

What's Doing In the PTA?

Mt. Miguel High School Parent Teacher Asociation will sponsor a "Welcome Dance," Friday in the school cafetorium and quad from 8:30 to 11:30 p.m. The popular Velvetones will play. It is possible for the Parent Teacher Association to secure the Velvetones due to a grant from the trust funds of the Recording Industry in cooperation with Local 325 AFM.

The school's International Club, Margaret Dail, president, will introduce Mt. Miguel's two international students: Angelo Sanza from Italy and Mitsume Nishifuji from Japan.

Mrs. Dwight Putman, president of Mt. Miguel PTA, urges all Mt. Miguel students to come and participate in this Welcome Dance for Angelo and Mitsumi.

The executive board of Mt. Miguel PTA will meet Sept. 21, in the teachers' room at Mt. Miguel High at 7:30 p.m.

—o—

The first PTA meeting this term will be held this Thursday at 7:30 on the patio of the school on Bancroft Street in Spring Valley. William Shell, principal, will hep us to know our school by being put on the carpet to answer questions about the school. After the meeting there will be classroom visits and refreshments. A recent meeting was held at the home of Don Brackman, chairman of the Halloween Carnival. Plans are underway for the big event on the schoolgrounds Halloween night. Mr. Brackman will reveal some of the big plans at the PTA meeting.

—o—

A Luncheon honoring the teacher was given by the Bancroft PTA executive board at the school on September 3, giving new teachers a chance to socialize with their colleagues. A lovely salad luncheon was served under direction of Mrs. Marylin Stirling, this year's PTA hostess.

—o—

Lemon Grove Junior High School PTA will hold a membership drive in the first weeks of October, Jack Durham, presiden, has announced.

The first executive board meeting was held Sept. 8 in the homemaking room of the school. The new president, Mr. Durham, presided. The proposed program for the coming year was presented by Mrs. R. W. Bierwirth. The budket for the coming year was presented and accepted by the board. Mrs. B. D. Danielson announced that the membership drive will follow a theme of space trave, and titled, "Let's 'Rocket to a new High." rMs. L. A. Dobis announced that all room mothers have been chosen. Refreshments were served following the meting by Hostesses Mrs. I. L. Arms and Mrs. A. E. Codina.

Suspicion

The way the price of coffee has been behaving these days gives rise to the suggestion that some of the processors must be using Mexican jumping beans in their blends.

KNIGHT, Harold — 9014 Redfield St., Spring Valley; September 6, 1959, girl; Grossmont Hospital.

WILLIAMS, Calvin — 4275 North Cordoba, Spring Valley; September 7, 1959, boy; Grossmont Hospital.

Firemen To Pass Advertising Stickers On Own Time

The Lemon Grove Local Fire District commissioners have approved the distribution of telephone stickers by local firemen, provided that the men do it "on their own time."

Commissioners' Secretary Robert Vaught said the stickers were being paid for by the district's fire insurance broker, John Dail. Dail's name appears on the stickers which also include the department's emergency telephone number.

Fire Captain Ray Carmody said the stickers were to be distributed as part of Fire Prevention Week which comes in mid-October.

District Counsel V. J. Dorman pointed out that firemen, and such public employes, could not distribute advertising material on district's time.

Cost of the stickers, being paid for by the insurance firm, is estimated at $385.00.

INTERIOR DECORATION

The Grossmont Adult Education offers a new evening class in Interior Decoration. This is the first evening class of its kind to be offered for several years. The class will be held at Helix High School every Tuesday evening from 7 to 9:30 p.m. in Room 13.

Friends Church Plans 'Social'

The social committee of the Spring Valley Friends Community Church will sponsor an ice cream social in Bronner Hall of the church. September 25, 7 to 9 p.m. It will be open to the public and everyone is invited, says Mrs. Nell Austin, social chairman.

The Opportunity Bus of the United Fund made a tour of the county Monday, announcing the annual drive for funds for more than 100 county health and welfare agencies. Here Mrs. Neil Zitren, of 3745 Vista St., Lemon Grove, campaigner, welcomes Jack Lovejoy, county campaign chairman, and July Hulen, 13, a Camp Fire Girl. Goal of the Fund this year is $3,123,425. Drive ends Oct. 30.

United Fund Drive Opens In Local Area

Lemon Grove and Spring Valley opened their third United Fund campaign Monday when a white bus carrying the slogan, "Your Community Opportunity for One Drive, One Gift" toured the Heartland area.

Mrs. John E. Abbot and Mrs. Gilbert Ray of Spring Valley and Mrs. Zitren of Lemon Grove are local "residential" chairmen.

Jack J. Lovejoy, countywide campaign chairman, discussed plans for this year's drive with Bob Simoneau, Heartland Division campaign chairman, and other Lemon Grove and Spring Valley drive leaders.

The countywide goal is $3,123,425. The Heartland Division's quota is $72,500.

The bus, specially painted with United Fund symbols and donated by the San Diego Transit System, took Lovejoy and a group of other Fund leaders to 15 cities and communities on a marathon tour of the county.

During the 200-mile trip, Lovejoy visited nearly every community served by the almost 100 health, welfare, and social service agencies which receive operating expenses through the Fund.

Agencies supported through the United Fund have signed agreements not to conduct separate campaigns for operating money.

At nearly every stop, Lovejoy chatted and posed for pictures with agency executives, Community Chest presidents, city officials, and boys and girls and other beneficiaries of agencies supported through this one big annual countywide drive.

Lovejoy stressed the United Fund's slogan this year, "Your Opportunity for One Drive, One Gift."

Through the United Fund, a contributor has the opportunity to support any kind of health and welfare program or service he chooses and in only one drive, with only one gift," he said. "The decision is up to each contributor. But if he so wishes, he can do all his giving at one time."

The campaign leader spoke to representatives of press and radio and explained the campaign to local drive leaders and volunteers.

The official 1959 kickoff trip began at 7:30 a.m. at El Cajon and ended in Chula Vista at 4:30 p.m.

In between stops were made at Lakeside, Ramona, Escondido, Vista, Fallbrook, Camp Pendleton, Oceanside, Carlsbad, Encinitas, Del Mar, San Diego Civic Center, Coronado, and the North Island Naval Air Station.

Supported through the United Fund are all nine Community Chests in San Diego County, all of their Red Feather agencies, plus the American Red Cross and numerous other health and welfare agencies.

Jet Propulsion Courses Scheduled

A certificate program in the field of jet propulsion is being offered in San Diego this fall by University of California Extension. The 18-unit program is designed especially for professionals in the aircraft and missile propulsion fields, and it provides study in the most advanced developments in jet propulsion.

Classes start September 21. Each course meets one night per week from 7 to 9:30 p.m. at Roosevelt Junior High School, 3366 Park Blvd., San Diego.

Shocking

The bathing girl is used to publicize so many items from breakfast foods to tractors that it comes as a mild shock to see one now and then illustrating an ad for women's bathing suits.
— Kiplinger Magazine.

Anyone For Basketball?

Brumbaughs Have Fifth Girl

"She always wanted a girl's basketball team . . . now she's got it."

This is what Dr. Simon Brumbaugh reported Friday when his wife, Mary Lou, delivered the couple's fifth child, all girls.

The newest one is Patricia Ann who weighed nine pounds, three ounces when she was born Thursday at 11:35 p.m. at Grossmont Hospital.

Patricia's mother was captain of the nurses's basketball team when she was in nurse's training at Philadelphia.

The other ladies in the family are Barbara Ann, 7; Carol Ann, 5; Jo Ann, 3, and Mary Ann, 2.

The Brumbaughs live at 7337 Central Ave. Grandparents Simon Brumbaugh Senior live at 7335 Central and are pleased with the family development but Grandpa Brumbaugh keeps muttering about "namesakes."

Mother and daughter are reported to be doing well.

Don't Be People

The succulent Chesapeake Bay oyster is near extinction, due solely to the greed of the fishermen. Thus a pig is wholly justified in saying to its young, "Don't be people."

Man Answers Phone, Loses Plea on Zone Variance for Shop

SAN DIEGO (CNS) — A Lemon Grove property owner attended Friday's session of the County Planning Commission to ask for a variance so he could add to his business building, but was called to the telephone and returned to find that his plea had been denied.

The applicant was Raymond W. Carmody, who sought a variance to extend his retail plumbing shop and parking area. The portion of his property he wanted to use for the extensions is zoned for residences, so a variance from the zoning ordinance was needed. The property is at 7820 Lincoln Street.

Commission Chairman C. J. Martin asked if the applicant were in the audience. When there was no answer, his application was denied, upon the opinion of the committee that studied the area that extension of Carmody's business into a section zoned for residences would depreciate the value of other homes in the vicinity.

Carmbody, upon his return, was advised to ask the planning staff as to his rights of appeal to the County Board of Supervisors for reversal of the planning commission action.

Another Lemon Grove property owner was luckier than Carmody. Algot Strom won approval of a request for a year yard variance. Permission was granted to build a 16-foot rear yard, instead of the required 25 feet, on the north side of Shirley Lane, which is a private road easement off Madera Street. The area is zoned for duplexes.

another reason why YOU GET A BETTER BUY *when you insist on*
GENUINE LATH AND PLASTER

So you don't PLAN to sell your home—you mean to LIVE in it. Fine. Then genuine lath and plaster construction will increase the value of your investment.

Genuine lath and plaster makes a house more valuable year after year, because it's SOUND CONSTRUCTION.

And if you DO sell—and most families do, after a few years—you'll find genuine lath and plaster is what buyers LOOK for—they'll "knock on the wall" to be sure.

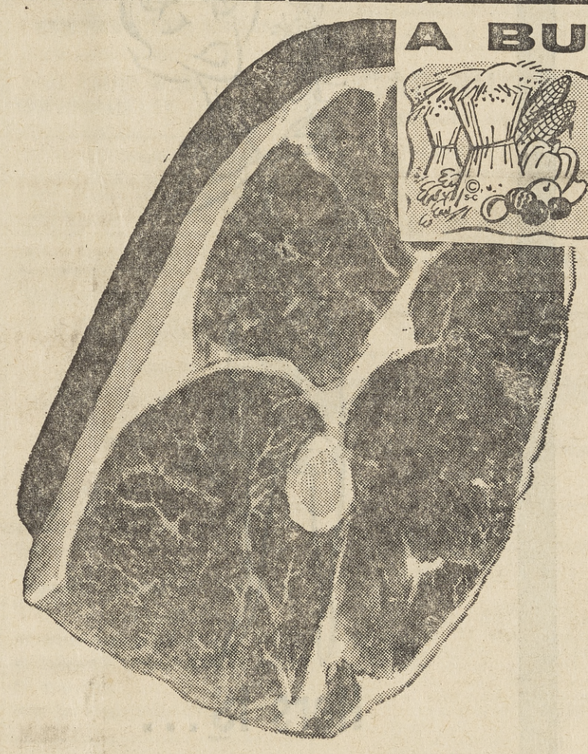

In addition to greater resale value, plaster gives you...

• LONGER LIFE • FIRE PROTECTION
• SOUND INSULATION
• WIDER CHOICE OF DECORATING
• EASE OF MAINTENANCE
• CLEAN, SANITARY BEAUTY THAT *LASTS!*

Insist on the real thing...

County Returns Downtown Lot To Sonka Family

SAN DIEGO (CNS) — A 100-foot by 100-foot piece of land at the intersection of School Lane and Central Avenue, Lemon Grove, given to the county by the Sonka family, is being returned to the donors.

The County Board of Supervisors voted to turn back the land on a motion made at Tuesday's session by Supervisor David W. Bird.

Bird explained that the land had been given for a community center, but was never utilized for that purpose. He said also that atempts to put a county library on the site had failed.

Hospital Tax Up Six Cents From Last Year

Residents of Grossmont Hospital District will pay a tax of 22 cents per $10 varluation this year —as compared to the 16-cent tax rate for last year.

Hospital Administrator Louis Peelyon said that the new tax rate would be split, with 18 cents for maintenance and operation of the hospital and 4 cents for payment on a $800,000 bond issue.

Peelyon said that the new tax rate is needed for paying for the 134-bed addition being constructed at the hospital. He added that in the following year the tax rate might drop to only 5 cents, to cover payments on the bond issue.

Last year, the tax rate was split 11.52 cents for operation and maintenance and 4.48 cents for bond payments.

Methodists Plan Sunday Morning Visitation Program

Methodists throughout the denomination's San Diego District will hold five workshops next week to improve their skills in churchmanship, it was announced here by the Rev. Donald B. Cooke, pastor of the Lemon Grove Methodist church.

Later, about 400 Methodist leaders from all parts of the U.S., including eight bishops, will come from Southern California and Arizona, in October to spearhead a visitation program, he said.

Dr. Edwin E. Reeves, new district superintendent and workshop leader, will report on plans from the Methodist Church's October program to contact thousands of non-church members.

Mr. Cooke said an innovation in the non-member program will be Sunday morning visitations at church hour.

The workshop for this area will be held in La Mesa Saturday of this week. Pastors of the district will be briefed at a retreat at Camp Cedar Glen near Escondido September 23 and 24.

WOMEN'S BAZAAR — Mary Belscher, Mrs. D. E. Hulett and Mrs. C. Butch discuss preparations for the annual bazaar which will be held on October 22 by the Spring Valley Women's Club, from 10 a.m. to 2:30 p.m. at the Spring Valley Chamber of Commerce hall. Mrs. Hulett, ways and means chairman, said that new attractions will be added, such as Pink Pig booth, book and music booth and Kandy Kitchen. Old favorites such as the Country Store, Nell's Diner and Christmas booth will be back.

Once Over Lightly

by Don Wilson

I don't know; maybe it's the weather. But for some reason, the kids on the first day of school didn't fit into the expected pattern.

Max and I (Max is Max Goodwin, publisher of this newspaper and my boss) were discussing pictorial coverage of the opening of school last week.

"**Go to a** kindergarten," Max said, "and take a picture. Even an idiot would find it impossible not to get a good human interest picture in a kindergarten."

(I hasten to explain that Max didn't mean that I am an idiot. He just meant that it should be real easy to . . . oh, well.)

"And go over to the junior high school and get a picture of a boy and a girl holding hands," he said. "Boys and girls always hold hands. It would make a good picture."

So I took my camera and went to one of the grammar schools. I tiptoed into one room and ask the teacher if a could take some pictures.

"Certainly," she said —then made me wait until she cleaned off the blackboard because her handwriting was a little messy.

I got a few pictures and then walked over to the kindergarten.

Wanting to be inconspicuous and get real candid shots of the kiddies, I held my camera behind me and slipped into the room.

I whispered to the teacher: "My name's Wilson. I'm with the newspaper here and I want to take some pictures."

She looked real pleased.

She clapped her hands loudly and shouted:

"CHILDREN! THIS IS MR. WILSON! HE IS GOING TO TAKE PICTURES FOR THE NEWSPAPER!"

Well, after a while the kids lost interest in me and I got some pictures, though I'm sure they didn't live up to Max's expectations.

Then I went over to the junior high school. I wandered around for a long time, looking for a boy and a girl holding hands.

I didn't find any boys holding hands with any girls.

I couldn't even find a boy talking to a girl. The boys all seemed to congregate in boys-only bunches and the girls in girls-only bunches.

Even when school let out for the day and the kids lined up to get on the buses. Boys in one line. Girls in another.

Finally I did find one boy talking to a couple of girls and I took their picture.

Maybe it was the weather. Or maybe it was just that this was the first day of school and none of the youngsters had relaxed yet.

But whatever it was, there didn't seem to be any fraternizing going on.

Maybe next week.

I'll go back and see.

☆ Every newspaper editor pays tribute to the devil.
— Jean de la Fountaine.

Veteran Ad Man Back On Job After Attack

Oliver Turnbull, veteran advertising man on the staff of the Review and Bulletin, was back at work this week after having suffered a mild heart attack five days before.

The Lemon Grove fire department, called to the Turnbull home, early last Wednesday morning, administered oxygen. The ad man was not hospitalized.

The fire department was called Sunday afternoon to the Grove Theatre after a six-year-old girl, Wanda Cooke, of 7944 Anza St., San Diego, fainted while attending a movie. Dr. Thayer Crow, Lemon Grove physician, stood by while firemen administered oxygen.

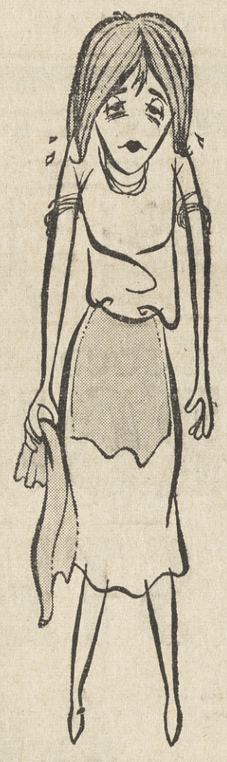

He said that the girl had "some sort of infection" which caused her to have a high fever. As soon as the girl regain consciousness, she was taken home by her parents, who contacted the family physician for treatment.

Mrs. Doughman Named Vets Auxiliary Prexy

Mrs. Dorothy Doughman, 8933 Olive Dr., Spring Valley, has been elected president of the newly formed Women's Auxiliary of the Foothills Barracks 1774, World War I Veterans, meeting in the Spring Valley Chamber of Commerce Hall, 9050 Memory Lane, Spring Valley.

Other officers elected were: Mrs. Jesse C. Ball, Lemon Grove, senior vice president; Mrs. Velma Steurmann, Spring Valley, junior vice president; Mrs. Ethel Denmark, San Diego, chaplain; Mrs. Alice Noakes, Spring Valley, secretary-treasurer; Mrs. Florence Armstrong, Lemon Grove, guard; Mrs. Mildred Miller, Spring Valley, conductress; and the three trustees . . . Mrs. Sue Smith, Lemon Grove; Mrs. Esther Wagnus, La Mesa; and Mrs. Emily Slafter, Spring Valley.

The Auxiliary will hold a pot-luck dinner Monday, starting at 6 p.m., in the Spring Valley Chamber of Commerce Hall.

Her Home ISN'T...

Hers IS...
Air Conditioned!
What a happy difference *air conditioning* makes!
Air conditioning cools the air... cleans it of dirt, dust, and pollens... controls humidity... and circulates fresh, crisp air quietly and evenly.
Air conditioning simplifies housekeeping... encourages restful sleep... revives wilted appetites . . . and adds zest to entertaining.
You'll find air conditioning systems for your entire home, or for just one room. And central *year-round* air conditioning cools your home in summer and warms it in winter!
In most cases, air conditioning increases the value of your home far more than the cost of installation. But — remember — your specific air conditioning needs are determined by many factors, including your home's size, design, exposure, and insulation. Only a qualified expert can provide *adequate* air conditioning. And only *adequate* air conditioning can provide trouble-free comfort, year after year.
Talk with an air conditioning expert today. He'll be happy to check your home — or your office or shop — give you an estimate, and arrange a convenient payment plan. Consult the Yellow Pages of your telephone directory.

Junior Women Issue Call For 'Lost' Former Members

Lemon Grove Woman's Club, Juniors, this week sent out an "emergency type" call to all former members.

The Club, according to Mrs. George Tiegen, president, will hold a "homecoming" at 8 p.m., September 22 at the clubhouse, 2810 Main St.

Mrs. Tiegen said that all former members of the club are invited, but that some addresses have been lost. She asked that anyone knowing the address of a former member ask that person to call Mrs. Robert Bresnahan at HO 6-7156 to make reservations.

Mrs. Ralph Kraft, general chairman of the program, is planning an amusing time for the past members and hopes that everyone will come and renew old friendships.

Plans are being made for 'Orientation Night" for new members on September 29 in the home of Mrs. Farrell Patton by membership chairman Mrs. Warren Petersaon. She invites all women between the ages of 18 and 35 to attend the meeting on September 22 and meet the members.

Democrats to Hear State Labor Expert

Stanley Gue, deputy state labor commissioner of San Diego will be the featured speaker at the first regular meeting following the summer recess of the Lemon Grove Democratic Club; his subject: "Union Labor and the Campaign of 1960." The customary discussion and question and answer period will follow the formal talk.

The meeting will be held on Friday at 8 p.m., in the 7815 Mt. Vernon, Lemon Grove, home of the president, Mrs. H. J. Warner, who will preside. Refreshments will be served. Interested non-members are invited.

☆ Man is a fallen god who remembers the heavens
— Alphonse De Lamartine

Area Real Estate Sales Gaining, Says Title Co.

The Lemon Grove-La Mesa-Spring Valley area gained slightly in total number of real estate compared to July sales. August: sales for the month of August 455; July 453. The number of sales for August, 1959, totaled 221.

Four subdivision maps filed in August represented 461 new lots.

The figures are from Trends, monthly publication of Union Title Insurance Co.

According to James C. Downs Jr., editor of Trends, "distrust of the dollar has assumed epidemic proportions." He goes on to say that tight money at high interest rates probably will remedy this problem.

Down states that "Real estate activity in San Diego County is at almost 'incredible' heights." Though optimism is warrantable in view of this local activity and the upward surge of business nationally," — it is time for the prudent to carefully analyze the course of their affair."

Downs further states that "We anticipate a continuation of the present high level of activity over the next three to five months but expect that there will be a 'corrective' trend before we are well into 1960."
